federal reimbursement for the program and federal reimbursement for the related administrative
costs; and the cost of the program for coverage effective between July 1, 2017 and December 31,
2018, plus administrative costs attributable to the program, less all federal reimbursement for the

attributable to premiums written for medical and other medical related services for the newly
eligible Medicaid population as provided for under RSA 126-A:5, XXIV-XXVI, consistent with
RSA 400-A:32, III(b).

attributable to the program and revenue from non-general fund sources is insufficient to fully fund
the program for newly eligible adults under RSA 126-A:5, XXIV-XXV, then RSA 126-A:5, XXIV and
XXV shall be repealed 180 days after such determination upon notification by the commissioner of
the department of health and human services to the secretary of state and the director of legislative

eligible Medicaid population as provided for under RSA 126-A:5, XXIV-XXVI for each calendar year.
The commissioner of health and human services shall report the remainder amounts to the
insurance department, any contributing charitable foundation, the New Hampshire Health Plan,

RSA 126-A:5, XXIV-XXVI for the completed calendar year. The commissioner of health and human
services shall compare the remainder amount calculations under this paragraph with the remainder
amount calculations under paragraph IV and report the results to the insurance department, any
contributing charitable foundation, the New Hampshire Health Plan, the governor, the speaker of
the house of representatives, and the senate president. Any difference between amounts calculated
under paragraphs IV and V for a completed calendar year shall be added to the remainder amount
due and payable during the current calendar year. In the event that actual program costs are less
than funds received, the difference shall be credited against the remaining amount for the next
payable period.

VI. The commissioner of the department of health and human services shall be responsible
for determining, on a quarterly basis commencing no later than December 31, 2016, whether there
is sufficient funding in the New Hampshire health protection trust fund, established in RSA 126-
A:5-b, to cover projected program costs for the non-federal share for the next quarter. If at any time
the commissioner determines that a projected shortfall exists, he or she shall terminate the program
in accordance with paragraph III.
