Re: New Hampshire Health Plan - Year 2022 Assessment Levels

Dear Commissioner Nicolopoulos:

I am writing on behalf of the New Hampshire Health Plan (“NHHP”) board of directors (“Board”), to request your approval of the two assessments that NHHP will be administrating in calendar year 2022. The first is for the support of the New Hampshire Granite Advantage Health Care Program under NH RSA 126-AA and that rate is \$3.35 PMPM. The second assessment is for the New Hampshire Reinsurance Program supported by a Section 1332 Medicaid Waiver and the proposed 2022 rate for that assessment is \$2.32 PMPM.

The Board voted unanimously to set the assessments at these levels, subject to your approval, at its October 7, 2021 and October 29, 2021 meetings. The Board did not change the policy to waive the collection of any assessment (i.e. set the assessment at zero dollars) for any carrier whose total assessment, otherwise calculated, would result in a remittance of less than \$10.00 in any given calendar quarter.

For the Granite Advantage Health Care Program, the assessment was established in accordance with the process described in the First Amendment to the Amended and Restated Plan of Operation and Termination of NHHP. The information used to calculate the assessment was based on the August 09, 2021 “Remainder Amount” letter and the September 30, 2021 “Sufficient Funds” letter from DHHS Commissioner Lori Shibinette. Relative to the 1332 Waiver Program, the 2022 assessment rate of \$2.32 is consistent with Section III:G of the Second Amendment to the Amended and Restated Plan of Operation and Termination of NHHP.

Your representative on the Board, Mr. David Sky, is fully aware of the background of these assessment recommendations.

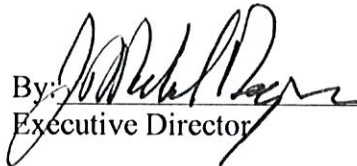

For NHHP to be able to mail 2022 Assessment notices to carriers by November 1, we would ask you to advise us as to the acceptability of these recommendations at your earliest convenience. If you approve the

recommended 2022 assessment levels, kindly sign below and return the duplicate copy of this letter. We will then notify the carriers.

Very truly yours,

NEW HAMPSHIRE HEALTH PLAN
